Three Scenic Routes

Short Course (25 Mi.-500ft. elev)

See the Yaquina Head and Yaquina Bay Lighthouses and the historic Old Town District of Newport. Enjoy 13 miles out and back along Yaquina Bay Rd. Watch for blue herons, egrets and bald eagles before returning to the Yaquina Head Lighthouse.

Metric + (70 mi-1,500ft. elev.)

Extend short course to include moderate climbing to Toledo and out Hwy. 229 to Hwy. 101. This route follows the same course as the full century without the trips to Moonshine Park or Taft.

Century (100 mi.-2,800ft. elev.)

Depart from Metric Century course at Siletz and travel Logsdan Rd to Moonshine Park and back. Follow the Siletz River to the Pacific shore. Follow a loop up to Taft and then ride south along the scenic Oregon Coast Bicycle Route which includes the new Otter Crest Loop. Enjoy the vistas at Fogerty Creek, Boiler Bay, Beverly Beach, and Moolack Beach, before returning to the Yaquina Head Lighthouse visitor center.

All routes are paved.

Ride the Oregon Coast
